GREEN @ WHITE WOLF KITCHEN

WHAT IS CBD OIL?

CBD OIL comes from the same plant as Marijuana but contains only trace amounts of THC, which is the active ingredient in Cannabis that gets you high.

It's 100% safe and legal in the UK. Our CBD oil comes from hemp flowers grown legally on farms in the European Union without the use of any pesticides, herbicides, artificial fertilisers or harmful chemicals.

When used as a food supplement it can help boost health and wellbeing.
